HOW TO GET STARTED

It's as Easy As 1-2-3!

1. Contact our SEED Coordinator

Deb Cornelius
484- 228-842 3
dcornelius@safefromthesun.org

We will brainstorm ideas with you, answer your questions and send you a **SEED Guide** that will walk you through the process step by step.

2. Choose an event.

Check out the list above for a few great ideas!

3. Choose a date and a place.

Event venues and parks often book fast during certain seasons, so you will want to secure a place as soon as possible.

We are looking forward to partnering with you!

Thank You!

Thank you so much for asking about hosting a SEED event in your community. The SEED (Support through Education and Event Development) program will allow you to partner with the Melanoma International Foundation to bring awareness to your community and raise funds to support those dealing with melanoma. We invite you to join us in realizing our mission of bringing hope and understanding to the journey of melanoma by supporting MIF in your hometown. No matter what type of event you choose to host, be assured that we will support you and partner with you throughout the entire experience.
